# mobile_shop

I first used a scaffold. Then input the pictures. Finally designed the cart icon and thank you message. Here are my crucial pictures:
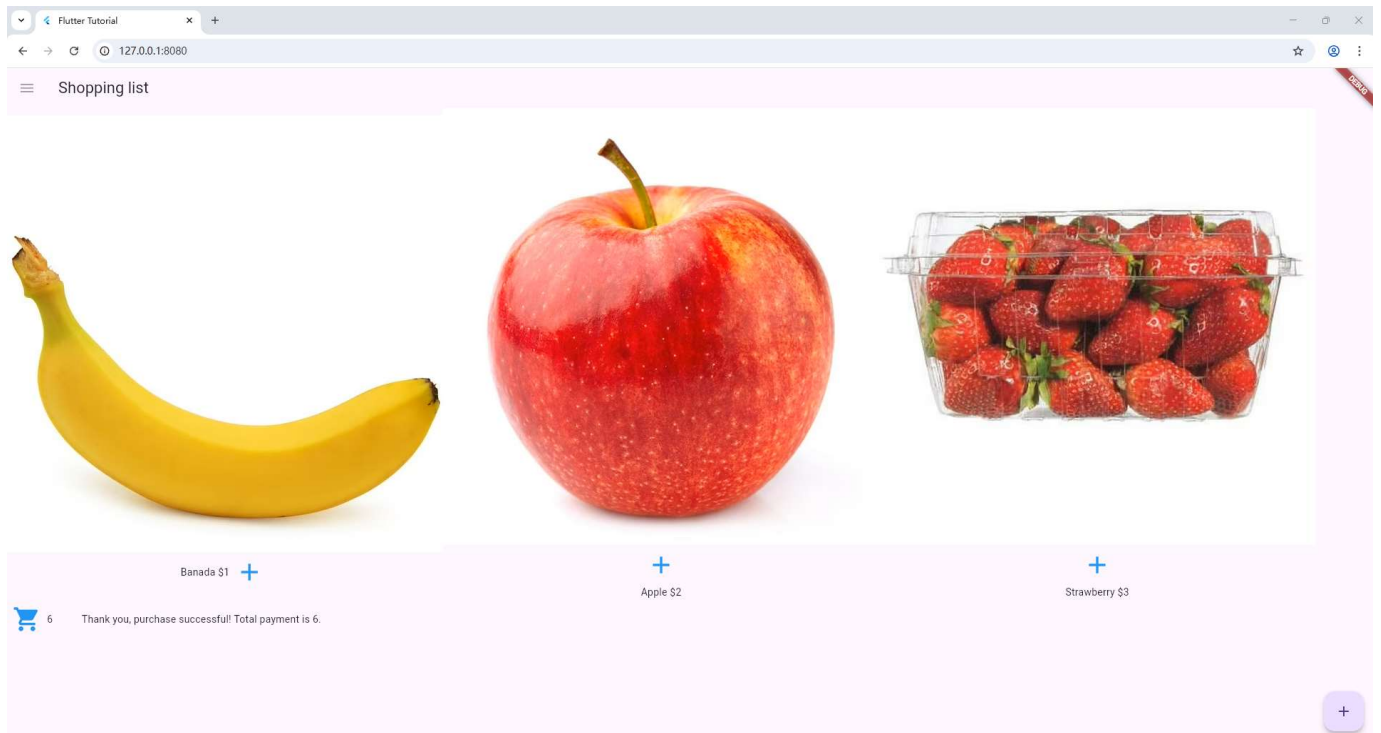

Initial:

Buy all the items:

Click the cart:

Run Me

Command line: flutter run -d chrome --web-port=8080 --web-hostname=127.0.0.1

Picture:

Environment

- Operating software: Microsoft Windows 11 Home Chinese Edition

- Flutter: flutter_windows_3.29.3-stable

- IDEA: IntelliJ IDEA 2025.1 (Ultimate Edition)
